About Kerone

KERONE now renowned name in serving specialized need of customers with best quality and economical process Heating /cooling and drying products, manufactured in high quality environment by well trained and qualified workforce(special purpose machineries) .

KERONE is pioneer in application and implementation engineering with its vast experience and team of professionals. KERONE is devoted to serve the industry to optimize their operations both economically and environmentally with its specialized heating and drying solutions.

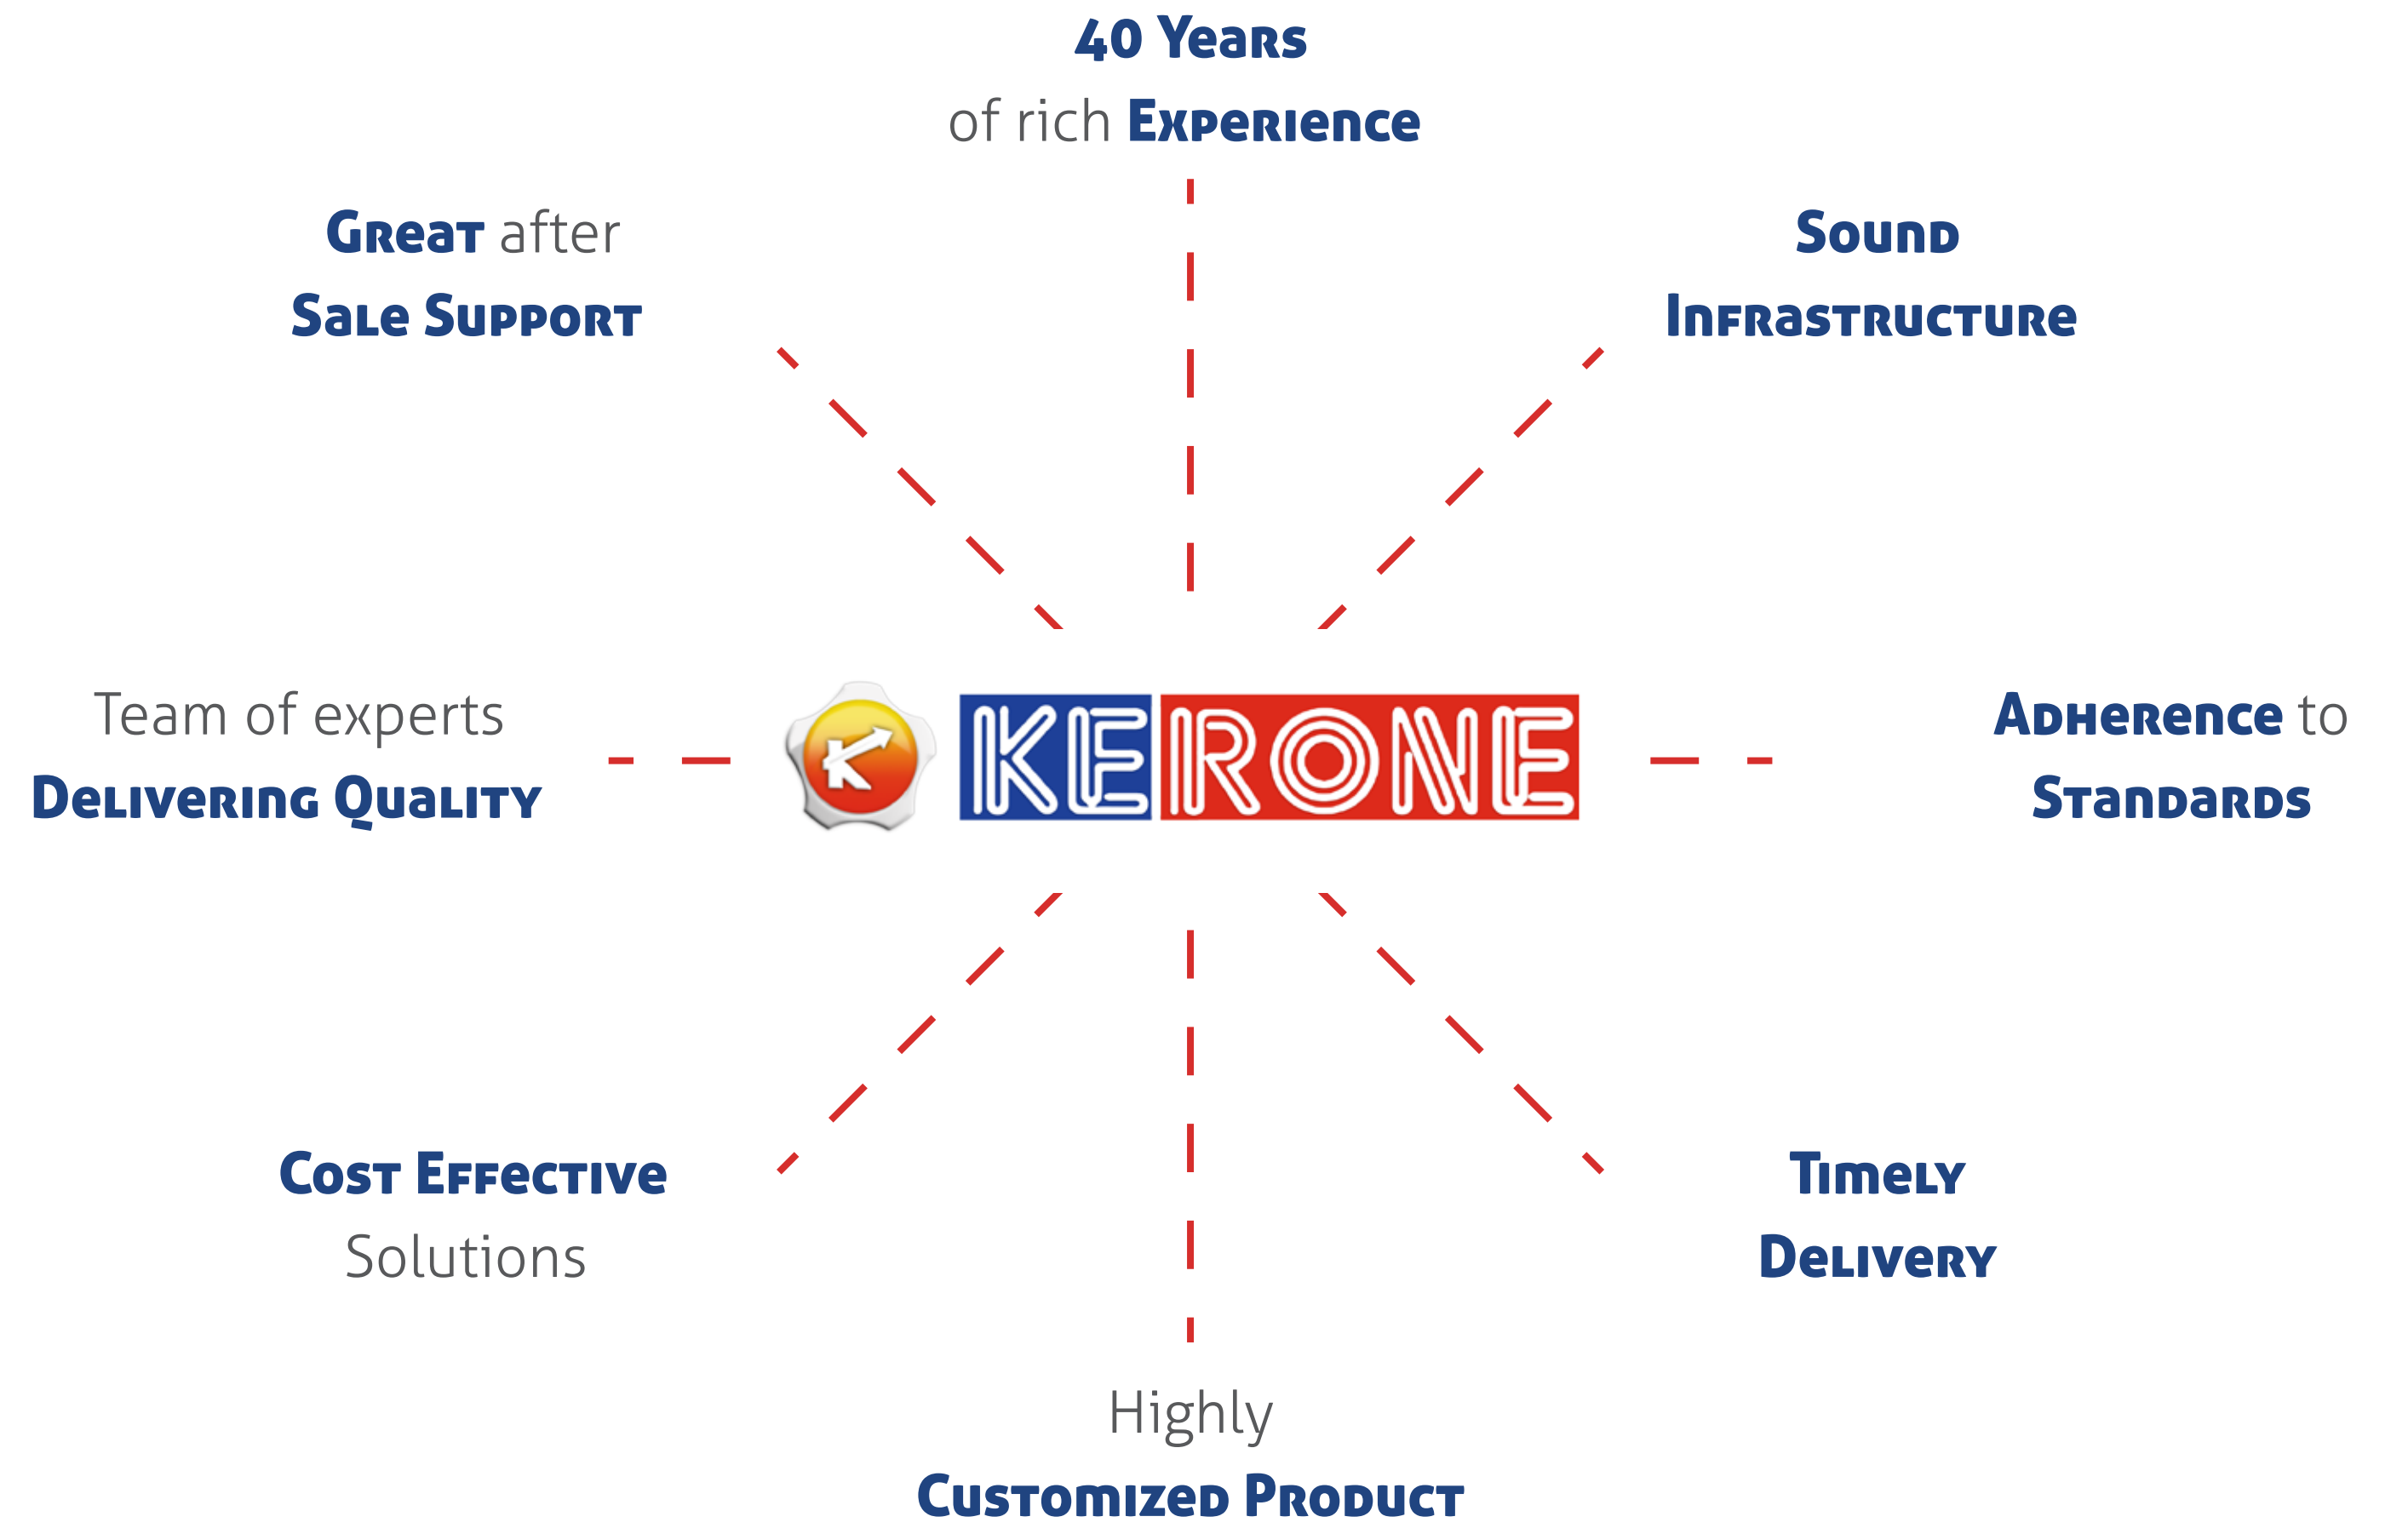

“Enhance the value of customer operation through our customer need centric engineering solution”

Mission

- To enhance the value of customer operation through our customer need centric engineering solution.
- We are committed to provide our customers, unique and best in class products in Industrial heating, drying and cooling segment, with strategic tie-up for the technical know-how with renowned leader in the industry specific segment.

Vision

- Turn into world leader in providing specialized, top-notch quality and ecological industrial heating, cooling and drying solution across the globe.
- To attain global recognition as best of quality and environment friendly engineering solution company.

Introduction to Feeders

Feeder guides the chemicals, materials and ingredients into a processing machine and equipment KERONE designs and manufactures the Pharmaceutical Feeder for feeding Ingredients, Loss-in-weight Feeder, High Accuracy Volumetric Feeder for chemical processing, Multi Stream Feeder, and various other types of feeding units based on the requirements.

Type of Feeder:

- **Continues Feeder**
- **Batch Feeder**
- **Volumetric Feeder**
